

The Fifth Annual Infant & Toddler Connection of Virginia
Early Intervention Conference
*"Creating Connections: Strengthening Partnerships between
Families and Providers"*

Dear Colleague:

As a member of Virginia's Integrated Training Collaborative, I would like to invite you to attend the upcoming ***Early Intervention Conference*** in ***Roanoke, VA***, on ***March 19-20, 2007***. We would be very pleased to have a representative from your company attend as a vendor to display and sell literature, books, and other educational materials for the benefit of our participants. We are planning for the attendance of 350 participants, including early interventionists, early childhood special educators, paraprofessionals, service coordinators, administrators, physical/speech/occupational therapists, and families of infants and toddlers with special developmental needs. The conference is organized into four strands, including:

- *Social-Emotional Development*
- *Play-based Approaches*
- *Transition*
- *Current Trends & Recent Practices in Early Intervention*

Our participants have, in the past, been very interested in learning about resources useful for working with or raising children ages birth to three with special needs.

If you would be interested in attending our conference, please complete the attached Vendor Application Form and return it by email to danaatlee@yahoo.com or fax it to my attention at (757) 547-3477. Please feel free to email or call me at (757) 819-6287 with any questions. Thank you!

Sincerely,

Dana Childress, M.Ed.
Integrated Training Collaborative
