

Early Intervention Infant Services Provider and Service Coordinator – Full Time

DUTIES: The Early Intervention Services Provider and Service Coordinator functions as a member of the transdisciplinary team in the RAISE early intervention program for families with infants and toddlers who have developmental delays and/or disabilities or who are at high risk for delay. The RAISE early intervention program is part of the Infant & Toddler Connection of the Rockbridge Area.

Specifically, the Early Intervention Services Provider and Service Coordinator:

Provides service coordination and, if eligible and assigned, targeted case management services (ID-TCM and MH-TCM) to children.

Screens, assesses, and develops and implements Individualized Family Service Plans (IFSPs). Provides Part C supports and services (for example, Developmental Services) to families with children who are eligible for Part C.

Maintains all appropriate documentation to meet RACS requirements, Medicaid and insurance requirements, and the requirements of the Infant & Toddler Connection of Virginia's Practice Manual for Part C services.

QUALIFICATIONS: Must meet qualifications to be an Early Intervention Professional in the Infant & Toddler Connection of Virginia (see infantva.org – go to Providers, then Practice Manual – pages 133-137). Degree in early childhood, social work, nursing, special education, or related field required. At least one year of related experience is required and at least three years of related experience are strongly preferred. Valid VA's driver's license with safe driving record required.

Must have thorough knowledge of early childhood development, an understanding of disabilities and delay, skills in coaching parents, ability to work as a member of a team, and excellent paperwork and organizational skills.

FULL-TIME with excellent fringe benefit package.

For application guidelines, please visit the Rockbridge Area Community Services' website - www.racsb.org
or call 540-462-6601.
