

Part C – Early Intervention Service Coordinator

Position Number: ID – C - 10

Closing Date: May 8, 2009

Starting Salary Range: \$39,138-\$47,357.10

Job Description: The Richmond Behavioral Health Authority has full-time positions available for Part C – Early Intervention Service Coordinators to coordinate services for infant and toddlers with developmental disabilities and their families in home and/or center-based settings. Services include the assessment of needs; facilitate the development of individualized family service plans; linking to other service providers; monitoring service plans and ongoing services; advocating for preferences and service needs; and ensuring documentation complies with regulatory, reimbursement, and agency requirements. The candidate needs to have a minimum of one year experience working with infants and toddlers with developmental disabilities and a bachelor's degree in psychology, social work, counseling or a related field. Experience in Part C – Early Intervention systems preferred. Valid Virginia Driver's license is required. Please go to the following website for more information: www.rbha.org
