The Commonwealth Fund has released a new manual entitled ***Pediatric Developmental Screening: Understanding and Selecting Screening Instruments***, by **Dennis Drotar, Terry Stancin, and Paul Dworkin**. It is based on a comprehensive review of scientific research and is meant to assist providers in selecting and using screening instruments that are appropriate for their practice settings. It is available online at http://www.commonwealthfund.org/publications/publications_show.htm?doc_id=614864
