

**Status of Issues Identified in the FFY 2005 Conditional Approval Letter  
Commonwealth of Virginia**

**State Policies and Procedures:**

4. As required in 20 U.S.C. 1437(a)(9)(C) the State has provided its policies and/or procedures to ensure the establishment of a transition plan, including, as appropriate, steps to exit from the program. **To be completed by 06-30-07.**

**Descriptions:**

4. As required in 20 U.S.C. 1437(a)(6) the State has provided a description of its policies and procedures that require the referral for early intervention services under this part of a child under the age of 3 who – (A) is involved in a substantiated case of abuse or neglect; or (B) is identified as affected by illegal substance abuse, or withdrawal symptoms resulting from prenatal drug exposure. **To be completed by 06-30-07.**
7. As required in 20 U.S.C. 1437(a)(9)(A) the State has provided a description that ensures a smooth transition for toddlers receiving early intervention services under this part (and children receiving those services under by 20 U.S.C 1435 (c)) to preschool, school, other appropriate services, or exiting the program, including a description of how: (i) the families of such toddlers and children will be included in the transition plans required 20 U.S.C. 1437(a)(9)(C); and (ii) the lead agency designated or established under 20 U.S.C. 1435(a)(10) will (I) notify the local educational agency for the area in which such a child resides that the child will shortly reach the age of eligibility for preschool services under part B, as determined in accordance with State law; (II) in the case of a child who may be eligible for such preschool services, with the approval of the family of the child, convene a conference among the lead agency, the family, and the local educational agency not less than 90 days (and at the discretion of all such parties, not more than 9 months) before the child is eligible for the preschool services, to discuss any such services that the child may receive; and (III) in the case of a child who may not be eligible for such preschool services, with the approval of the family, make reasonable efforts to convene a conference among the lead agency, the family, and providers of other appropriate services for children who are not eligible for preschool services under part B, to discuss the appropriate services that the child may receive. **To be completed by 06-30-07.**
8. As required in 20 U.S.C. 1437(a)(10) the State has provided a description of State efforts to promote collaboration among Early Head Start programs under section 645A of the Head Start Act, early education and child care programs, and services under Part C. **To be completed by 06-30-07.**

**Assurances:**

2. The State has adopted a policy that appropriate early intervention services are available to all infants and toddlers with disabilities in the State and their families, including Indian infants and toddlers with disabilities and their families residing on a reservation geographically located in the State, infants and toddlers with disabilities who are homeless children and their families, and infants and toddlers with disabilities who are wards of the State; and has in effect a statewide comprehensive, coordinated, multidisciplinary, interagency system to provide early intervention services, for infants and toddlers with disabilities and their families, that meet the requirements of 20 U.S.C 1433, 1434, and 1435. **To be completed by 06-30-07.**

3. The State has in effect a policy that ensures that appropriate early intervention services based on scientifically based research, to the extent practicable, are available to all infants and toddlers with disabilities and their families, including Indian infants and toddlers with disabilities and their families residing on a reservation geographically located in the State and infants and toddlers with disabilities who are homeless children and their families in accordance with 20 U.S.C. 1435(a)(2). **To be completed by 06-30-07.**
  
7. The State has a public awareness program focusing on early identification of infants and toddlers with disabilities, including the preparation and dissemination by the lead agency designated or established under 20 U.S.C. 1435(a)(10) to all primary referral sources, especially hospitals and physicians, of information to be given to parents, especially to inform parents with premature infants, or infants with other physical risk factors associated with learning or developmental complications, on the availability of early intervention services under this part and of services under 20 U.S.C. 1419, and procedures for assisting such sources in disseminating such information to parents of infants and toddlers with disabilities. (20 U.S.C. 1435(a)(6)) **To be completed by 06-30-07.**
  
9. The State has a comprehensive system of personnel development, including the training of paraprofessionals and the training of primary referral sources with respect to the basic components of early intervention services available in the State that
  - (A) includes--
    - (i) implementing innovative strategies and activities for the recruitment and retention of early education service providers;
    - (ii) promoting the preparation of early intervention providers who are fully and appropriately qualified to provide early intervention services under this part; and
    - (iii) training personnel to coordinate transition services for infants and toddlers served under this part from a program providing early intervention services under this part and under part B (other than 20 U.S.C. 1419), to a preschool program receiving funds under 20 U.S.C. 1419, or another appropriate program; and
  - (B) may include--
    - (i) training personnel to work in rural and inner-city areas; and
    - (ii) training personnel in the emotional and social development of young children.

(20 U.S.C. 1435(a)(8)(A) and (B)) **To be completed by 06-30-07.**
  
10. The State has policies and procedures relating to the establishment and maintenance of qualifications to ensure that personnel necessary to carry out this part are appropriately and adequately prepared and trained, including the establishment and maintenance of qualifications that are consistent with any State-approved or recognized certification, licensing, registration, or other comparable requirements that apply to the area in which such personnel are providing early intervention services, except that nothing in this part (including this paragraph) shall be construed to prohibit the use of paraprofessionals and assistants who are appropriately trained and supervised in accordance with State law, regulation, or written policy, to assist in the provision of early intervention services under this part to infants and toddlers with disabilities. (20 U.S.C. 1435(a)(9)). **To be completed by 06-30-07.**
  
16. The State has a State interagency coordinating council that meets the requirements of 20 U.S.C. 1441. (20 U.S.C. 1435(a)(15)) See optional technical assistance checklist in Section V for full provisions of 20 U.S.C. 1441. **To be completed by 06-30-07.**

24. The State ensures that policies and procedures have been adopted to ensure meaningful involvement of underserved groups, including minority, low-income, homeless, and rural families and children with disabilities who are wards of the State, in the planning and implementation of all the requirements of Part C. (20 U.S.C. 1437(b)(7)) **To be completed by 06-30-07.**
