We are pleased to provide you with the following documents:

1. Infant & Toddler Connection of Virginia **Referral Guide**
2. Virginia's **Uniform Referral/Consent Form** for referral to the Infant & Toddler Connection of Virginia

The referral guide has been updated to reflect current contact information and updated information about referral to the Infant & Toddler Connection of Virginia. This document is posted on the Infant & Toddler Connection of Virginia website at:

<http://infantva.org/documents/pr-ReferralGuide.pdf>

Virginia's Uniform Referral/Consent Form for referral to the Infant & Toddler Connection of Virginia was adapted from the universal referral form developed by the Tracking, Referral and Assessment Center for Excellence (TRACE) in collaboration with Dr. Thomas Sullivan, a member of the American Academy of Pediatrics Development Surveillance and Screening Policy Implementation Project (D-PIP). The form can be found on the Infant & Toddler Connection of Virginia website at: <http://www.infantva.org/documents/forms/3094eEI.pdf>.
