Characteristic	Excellent	Good	Fair
Overall organization of call			
Overall quality of information provided			
Overall usefulness of information provided			
Overall relevance of information provided			
Ability to have question(s) answered			

2. Please provide your rating of the following statements:

Statement	Agree	Neutral	Disagree
I understand the reason for "Public Reporting".			
The TA call met my objective to receive information and materials needed to begin to understand how the Infant and Toddler Connection of Virginia's Annual Performance Report monitoring results will be reported to the public.			

3. The most helpful part of today's technical assistance call was:

4. The least helpful part of today's technical assistance call was:

5. I need additional information, training &/or resources on this topic: \_\_\_Yes \_\_\_No

6. Other comments/suggestions:
