

**Local Regional Direct Services Committee**  
**Report to the Virginia Interagency Coordinating Council**  
**June 12, 2002**

Current projects for the Local Regional Direct Services (LRDS) Committee include:

- Collaboration with the Interagency Data Task Force concerning Individual Child Count Form (ICDF) data elements related to the 45-day timeline
- Development of a revised Transition Guidance Document (in process, awaiting official guidance from the Department of Education)
- Collection and development of sample outcomes and sample Individualized Family Service Plans

The LRDS committee has also participated in review of Infant & Toddler of Virginia documents, has made recommendations concerning statewide training, and has (through individual members) sought clarification concerning Part B's role for two-year old children between the time they turn two and September.
