**VIRGINIA  
INTERAGENCY COORDINATING COUNCIL  
RETREAT  
September 10, 2008  
AGENDA**

**9:30 a.m.**

***Welcome from VICC Chair***

***Overview of Purpose, Outcomes of the Retreat***

Anticipated Outcomes: The VICC membership will:

- o understand the opportunities and challenges related to the change of lead agency with respect to the Part C system components as a whole, and to the VICC specifically;
- o understand the potential impact of the EI Medicaid initiative upon Part C system components;
- o review the VICC's accomplishments since the December 2006 Retreat;
- o determine the primary "clients" of the VICC;
- o identify the strengths and needs of the VICC as it currently is configured; and
- o confirm up to three (3) priorities for the VICC focus for the next 18-24 months.

***Introductions and Expectations from Participants***

***Create "Commitments" for our day together***

**VICC Mission Statement**

To advise and assist in planning the comprehensive system of early intervention services defined in the Individuals with Disabilities Education Act and to assure the implementation and evaluation of the coordinated, statewide, interagency, interdisciplinary system of services which enhances the capacity of families to meet the needs of their infants and toddlers with disabilities.
