

**VICC Nominating Committee
Report
June 14, 2000**

The Nominating Committee briefly met to discuss the following two items.

- First a reminder, the members of each committee of the VICC need to elect a chair (or co-chairs) at the June meeting. The chair (co-chairs) of each committee must be announced at the September 6, 2000 meeting of the VICC. The new chairs (co-chairs) will begin their term of office on October 1, 2000. The chairs (co-chairs) are members of the VICC Steering Committee. Remember that the chair or one co-chair must be a member of VICC. Current chairs (co-chairs) can be elected to continue in office.

- Second, the Nominating Committee is developing a slate of nominees to serve as Chair, Vice-Chair and Secretary of the VICC. This slate will be communicated to VICC members in August and the election will follow at the September 6, 2000 VICC meeting. The term of office is one year from October 1, 2000 to September 30, 2001. The current Officers have indicated their willingness to continue in a leadership capacity of the VICC. Persons interested in serving please contact Elisabeth Hutton, Chair of the Nominating Committee.

Respectively Submitted,

Elisabeth B. Hutton, Chair
Nominating Committee
